GO2 BANK™

How to set up direct deposit

1. Log in to your account at GO2bank.com/directdeposit to get your bank account number.

2. Enter your name and bank account number for your GO2bank account in the fillable form below.
   (Please note the name on your GO2bank account must match exactly your name on file with your employer or benefits provider to direct deposit your pay to your GO2bank account.)

3. Select how much of your paycheck you want direct deposited to your GO2bank account.

4. Complete the authorization section, sign and date the form. Print or save the form and submit to your employer or benefits provider to set up direct deposit.
